MEMORANDUM FOR: Colonel White

SUBJECT

25X1

: Language Training

- i. Per your request I have discussed the language training matter with Ambassador Unger. He said the matter is now in abeyance, the lateragency Task Force had been stood down, and that no further action was required of CIA at this time. He will contact me if the issue becomes live again in the future.
- 2. There is, consequently, nothing more that we need do in response to the State Department initiative of May 1966. Internally, of course, we should and will keep the language aspect of our own Vietnam training programs under constant review.
